Revolving Matrix System

This is a revolutionary matrix system as opposed to traditional matrices. With this system, the sophisticated software will enter members on the bottom of a board from left to right and then push them from the bottom to the top. The faster the board is filled, the faster they will receive their commission. This requires a team effort of everyone referring at least 2 people.

The system consists of two boards:

- 1.HOLIDAY BOARD (Yellow Board)**
- 2.DIAMOND BOARD (Red Board)**

5'DIAMOND BOARD (Red Board)

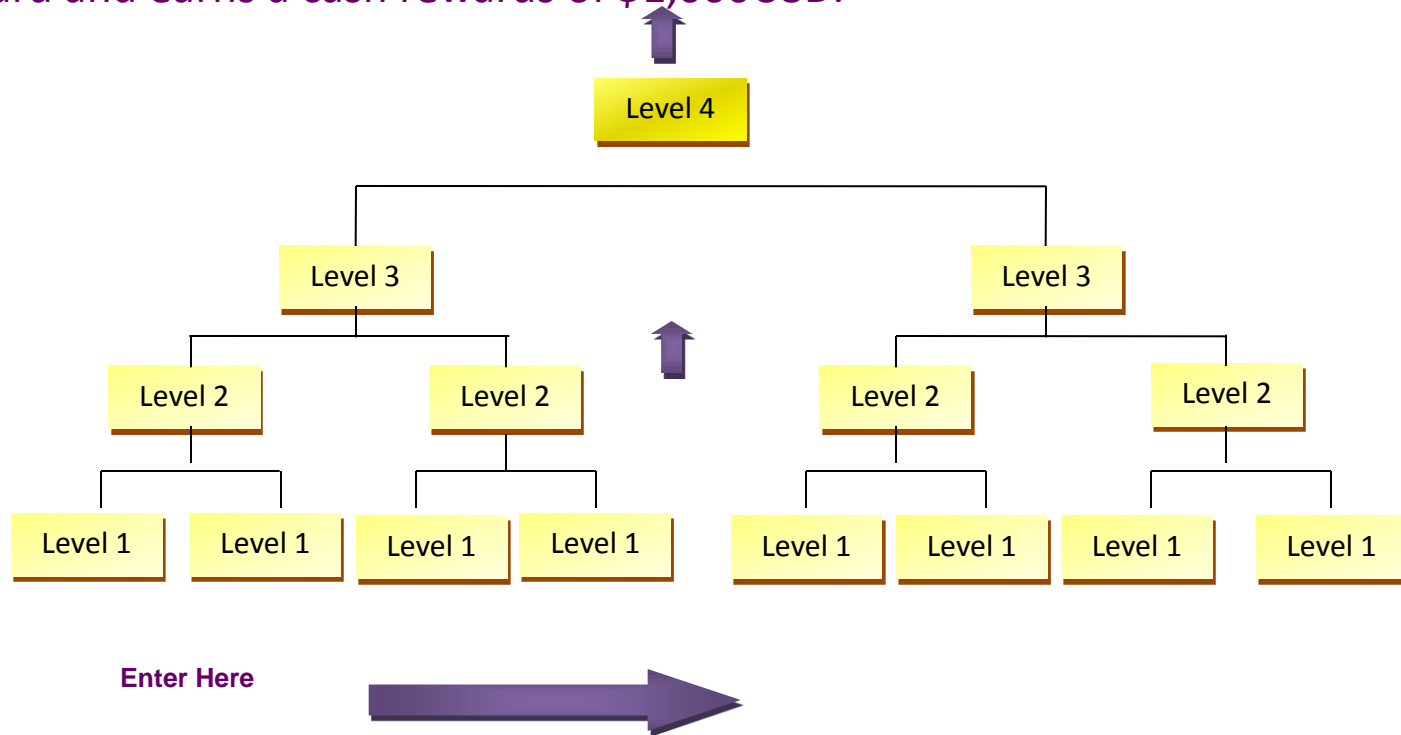

Holiday Board

When you join Diamond Holiday, you get a position at level 1 on the Holiday Board (There are 4 levels in each board) and you are pushed up from level 1 to level 4 with a combined effort of all board members. And as the board fills, it splits into two sub-boards. Giving you an uplift to the next level.

When you progress from Holiday Board to next Board (Diamond Board), you'll receive \$1000USD cash reward paid directly to your e-wallet account (Which is automatically created for immediately you register with Diamond Holiday).

Holiday Board

When the board fills up, the member in the Level 4 position moves to Diamond Board and earns a cash rewards of \$1,000USD.

The Board splits when all positions on the Board are filled up

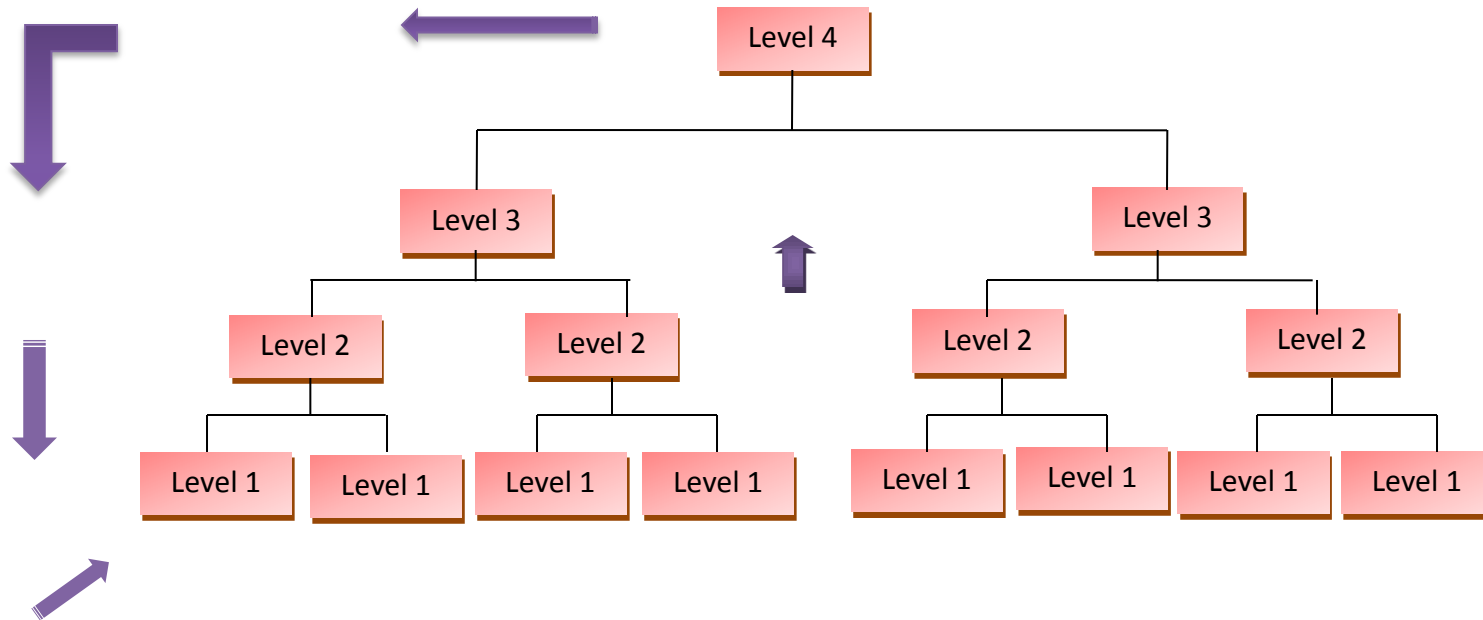

Diamond Board

When you cycle out of the Holiday Board, you get a position at Level 1 of the Diamond board. The Diamond Board works exactly the same way as the Holiday Board, the only difference being that your level in the board raises when down-line come and fill up board. New members cannot join the Diamond Board directly. Your rank changes to Silver Associates as soon as you enter the Diamond Board.

When the board fills up, it breaks into two sub-boards, giving you an uplift to the next level and when you get to level 4 and cycle out, you earn a mega bonus of \$15,000USD which is credited to your Online Wallet instantly. And that's not all, you get a re-entry into the Diamond Board for you to make another \$15,000USD in a revolving fashion. This process goes on and on enabling you to cycle out monthly, weekly and even daily. There is an unlimited earning potential. All that is required to cycle out from the Diamond Board is help two of your down-line come to the Diamond Board.

Diamond Board

You can cycle as many times as you desire, Monthly...Weekly...Daily..., Each cycle earns you \$15,000USD. Your earning potential is unlimited.

When Hopes Meet Opportunity

Some people are in the habit of saying “No” to all new opportunities. They feel they are protecting themselves, but they are also limiting the possibilities of what they can achieve.

Consider this piece of advice: when a new opportunity presents itself. If it arises that cannot possibly harm you and it could possibly be helpful to you in reaching your ultimate goal, then why not just give it a try? You’ll never know if an opportunity is just what you’re looking for unless you try it.

**Congratulations on deciding
to get started now....Today
will change your life forever!**

Success In Life Is Often About Timing

Often compared to riding a wave or striking a hot iron, timing is the key to success for any business today!

Now the opportunity you're searching for is just in front of you.

The Future is in your hands ...And the Opportunity Couldn't Be More Perfect Than Right NOW!

If you place your heart, Nothing is impossible!!
LET'S MAKE IT BIGGER AND BETTER

We're guessing THOUSANDS will...so the earlier your join, the faster you start receiving your \$15,000 cash payments over and over!

Action Is The Key To Success

You have to start by doing something, so the first step is “Act.” It is better to do something than nothing. Those who start acting get results...those who don’t act don’t get much of anything. And don’t worry about doing it perfectly, just start by doing something.

Remember, **“If it is to be, it is up to me.”**
